To: Whom It May Concern,

It is with great pleasure that I recommend Mark A. Rodriquez and his company Print Heads Ink. I am the owner of a Home Instead Senior Care franchise. My company has utilized the services of Print Heads Ink for the past year. I am very satisfied with the service I receive and am pleased to say I have saved anywhere between 40% - 50% on what I was spending on printer and copier ink. My company could not function without printers and copiers and quality is very important to me. The quality of ink that Print Heads Ink delivers is great and just as good, if not better, than the name brand and refills purchased from the stores.

I strongly recommend Print Heads Ink and am sure you will be more than satisfied with the services provided to your company.

Sincerely,
