To whom it may concern,

We have used Print Heads Ink for about four months now and have been very pleased with their products and services.

I had an emergency about a month ago where the toner for an attorney's printer was out and I didn't have a back-up on hand, so I called Mr. Rodriguez around 9am in a panic and I had a new toner within the hour.

I highly recommend Print Heads Ink for your toner needs.

Thank you,

Josie A. Hidalgo
